

COOKIE POLICY

« ROAD TO CARNAVAL »

This Cookie Policy explains what cookies are and what types of cookies are used on the website www.roadtocarnaval.guaranaantarctica.ch within the scope of this Campaign.

WHAT ARE COOKIES?

Cookies and similar technologies, such as pixels or tags (hereinafter collectively referred to as "cookies"), are small files or code segments that can collect information about users when they navigate a website. Cookies may be stored on users' devices for a fixed period to facilitate or improve the browsing experience. Cookies may have various functions and durations, as explained below.

CATEGORIES OF COOKIES

Strictly necessary cookies are cookies that are essential for the proper functioning of a website. These cookies include, for example, technical cookies that allow users to load and browse pages of a website. They are always active and do not require the prior consent of users.

DURATION OF COOKIES

Cookies may remain on users' devices for different periods of time. So-called "session cookies" are automatically deleted when users close their browser, while so-called "persistent cookies" remain on users' devices for a certain period of time. When a certain period of time is reached, persistent cookies are automatically deleted from users' devices.

FIRST-PARTY OR THIRD-PARTY COOKIES

First-party cookies are cookies set by the website administrator themselves, while third-party cookies are set by other entities, such as an external service provider. This website uses exclusively first-party cookies.

COOKIES USED ON THIS WEBSITE

In this section, you can find out more about the cookies used on the website www.roadtocarnaval.guaranaantarctica.ch. This website uses exclusively strictly necessary cookies for its correct functioning; no performance, functional or targeting cookies are used.

LIST OF COOKIES

Strictly necessary cookies (always active)

These cookies are necessary for the website to function and cannot be switched off in our systems. They are only set in response to actions and requests made by the user, such as when they navigate through pages, set their cookie preferences or fill in and submit a form. They do not require prior user consent.
